

**Holy Trinity High School
Junior High School Supplies 2018-19**

👉 Please Note:

The following is a list of school supplies that you will be using for Junior High subjects

Junior High General Supplies:

Pencils	Sharpener
Pens	Scissors
Eraser (latex free)	Glue Sticks
Loose Leaf paper & Exercise Books	Geometry Set
Scientific Calculator	Colored Leads

Students should decide how they want to organize work throughout the year. Being organized will help students achieve academic success and reduce stress.

If parents are planning on purchasing a computer they could consider buying a Chrome Book. Chrome Books are the preferred technology that is used at HTH.

Students requiring accommodations for reading of printed material should consider buying a set of ear buds for their own personal use to promote positive hygiene.

Also it would be helpful to obtain a plastic tote box or pencil case (small enough to fit in a desk) for storage/organization of the smaller items.
