

# A Parents Guide To Prevention

HELPING YOUR CHILDREN GROW AND DEVELOP

For Parents with Children ages 6-16

- Understand Your Role as Parent.
- Help Your Children Make the Right Decisions.
- Learn How to Communicate so They Listen.
- Become Aware of the Dangerous Street Drugs.

Join Const. Chad Rogers and Gary Summers for a 2 hour very meaningful and insightful presentation and learn some valuable skills that will help guide you through your child's adolescence.

**This could be the most important presentation you will ever attend because it touches on the critical aspects of your child's development.**
